

Authors 4 Teens .com

Selected for *The Association for Library Services to Children's* 2004 list of **Notable Computer Software and Online Subscription Services for Children**

Bring almost 50 of today's top young adult authors right into your classroom or library.

Authors4Teens.com explores the craft, insight, habits, hobbies, studies, and passions of today's top young adult authors.

Each author is showcased with in-depth, lively interviews that are like having a one-on-one conversation with the author.

"I really like the lengthy interviews, complete with photographs of the authors.

Don Gallo is an excellent interviewer. He asks questions that pull thoughtful responses from his subjects....I also appreciate the updates—a great way of using the advantages of the medium of the Web."

*Walter Hogan
Assoc. Professor and Coordinator of
Technical Services
Eastern Michigan University Library*

Show your teen readers how literature is created... introduce them to the authors of the books they most love.

Benefits

Teen readers can easily:

- Get to know their favorite authors
- Conduct in-depth research for reports
- Develop a more thorough understanding of the "whys" and "hows" behind their favorite works of young adult literature
- Gain insight into the reality of the writing life from respected authors.

Teachers and librarians will find **Authors4Teens.com** a valuable resource with which to:

- Develop teaching plans that give greater insight into young adult literature and its creation
- Promote interest in reading and writing
- Encourage understanding of how an author's life affects his or her work
- Provide insight into how authors create their works.

Authors4Teens.com

Created by a Top Teenage Literature Authority and Teacher

In the education world, Don Gallo is known as an expert on books for teenagers and a trainer of English teachers. He is also known as the editor of a number of award-winning collections of short stories for teen readers, chief among them *Sixteen*, which is considered by the American Library Association as one of the 100 Best of the Best Books for Young Adults published during the last four decades of the 20th century.

Teri's Corner, a free list of links and related resources, lets researchers further explore the world of young adult literature.
